## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-55 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose an industrial process which carries a process fluid in process piping an which includes process transmitters or controllers to monitor or control the industrial process which communicate over a two-wire process control loop. The allowability, at least in part, resides in this fact.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
